Conditions

Your eminec delivery goes out with an invoice, which is payable via bank transfer (to a German account) within 30 days. Prepayment, cash on delivery or payment via credit card are not possible. All prices are stated in Euros (EUR, €). There will be no processing or shipping costs for your eminec order. The final amount is calculated by adding the unit prices. Your order with eminec is binding. There is no right of withdrawal due to the nature of the goods (software). eminec offers you evaluation licenses so that you can judge whether eminec MYmap fulfills your requirements in a satisfying way. Value-added tax does not accrue for your order in accordance with §19 (1) UStG (German purchase tax law).
